I. INDEX	3
II. ALPHABETICAL LIST OF COLLABORATORS (OFFICIAL CORRESPONDENTS OF THE INTERNATIONAL INSTITUTE OF AGRICULTURE FOR QUESTIONS RELATING TO PLANT PROTECTION)	11
III. ALPHABETICAL LIST OF AUTHORS MENTIONED UNDER THE HEADING 'RE- CENT BIBLIOGRAPHY' OF THE <i>BULLETIN</i>	14

I.

INDEX

A.

Albacete, see Spain, 133.

Algeria :— Damage to crops by the cold of the winter 1928-29, 117. — Desert locust, *Schistocerca gregaria*, 6, 49, 65, 113, 129, 147. — Moroccan locust, *Dociostaurus maroccanus*, 65, 113-114, 129-130, 147.

Almeria, see Spain, 117-118.

Anhalt, see Germany, 83.

Argentina :— Decree No. 12 of 4 June 1929, regulating importation of oranges from Paraguay, 170-171. — 'Resolución' No. 661 of 28 August 1928, prohibiting importation of banana plants or shoots in view of infection with *Fusarium cubense* or other diseases, 56.

Australia :— Plant diseases observed in New South Wales, 6-7.

Austria :— Decree of Federal Minister of Finance, dated 26 January 1929 (Regulations against importation of Colorado beetle [*Leptinotarsa decemlineata*]), 36. — Ordinance No. 362 ("Giftverordnung", ordinance concerning poisons) of 20 December 1928, 83-86.

B.

Belgian Congo :— Cotton, some new diseases of, 98-99. — Sisal, a new disease of, 179

Belgium :— Decree of 30 November 1928, regulating control of potato wart disease [*Synchytrium endobioticum*], 86. — Parasites, cryptogamic of crops in 1928, 97-98.

Bermuda :— Board of Agriculture Regulations approved 24 January 1929, regulating inspection of Easter lilies [*Lilium longiflorum* var. *eximium*], 102-103. — Damage to crops by the cold of the winter 1928-29), 165.

Bibliography, Recent, 12-16; 28-32; 41-48; 58-64; 72-80; 89-96; 105-112; 125-128; 139-145; 155-161; 173-178; 187-194 (For the names of the authors cited under the heading 'Recent Bibliography' see adjoined alphabetical index).

Brazil :— 'Resolução' of 26 May 1928, regulating importation of plants and plant products, 86-88. — 'R.' of 2 June 1928, regulating importation of eucalyptus seeds and plants, 88. — 'R.' of 19 February 1929, regulating sale of live plants and their parts, 122. — State of São Paulo :— Decree No. 4464 of 26 September 1928, regulating the control of diseases and pests of trees and other woodland plants, 56. — State Law No. 2,888 of 1 October 1928, regulating coffee berry borer [*Stephanoderes hampei*] control, 36.

Bombay Presidency, see India, 33.

Burma, see India, 33, 166,

C.

Canada :— Damage to crops by the cold of the winter 1928-29, 165. — Order in Council C. P. 1146 of 2 July 1929 (Revision Regulation No. 4 concerning importation of plants, etc.), 153.

Ceylon :— Damage to crops by the cold of the winter 1928-29, 165.

Chile :— Decree No. 105 of 2 January, 1929, ordering compulsory destruction of goats' rue [*Galega officinalis*] in certain zones, 122. — D. No. 433 of 12 March 1929, concerning certificates for export of agricultural products, 122. — D. No. 2,921 of 27 May 1929 (regulations to prevent introduction of grape phylloxera), 135. — D. No. 3,055 of 5 June 1929, prohibiting import of fruit from Florida, 135. — Ministerial D. No. 2,526 of 28 August 1928, regulating importation of maize, etc. to prevent introducing the European corn borer [*Pyrausta nubilalis*], 56.

Columbia, Republic of :— Law No. 123 of 26 November 1928 concerning plant parasites, 56-57. — Presidential Decree No. 2247 of 23 November 1928, ordering notification of crop pests and diseases, 56.

Congresses and Conferences :— Agricultural Congress (Bucharest, 1929), Recommendations and Resolutions of the XIVth International, 161-162. — International Botanical Congress [Fifth], 16. — International Congress on Equipment for Control of Crop Pests, Resolutions of the, 146. — International Congress (Second) of Vine Growing and Wine (Barcelona, 1929), 194. — International Conference for Plant Protection, 8.

Convention between the Republic of Cuba and the United States of

America for investigation of the natural enemies of the Hemipteron *Aleurocanthus woglumi*, 67. — C. for Plant Protection, International (Rome, 16 April 1929), 50-55.

Correspondents, Official, for Plant Protection to the International Institute of Agriculture, 1-6, 17-21.

Cuba :— Presidential Decree No. 1551 of 17 September 1928, regulating import of fruits and certain plants, 36-37. — P. D. No. 1752 of 22 October 1928, regulating the importation of used cheese-cloth for covering tobacco plantations to prevent the introduction of *Popillia japonica*, 52. — P. D. No. 740 of 10 May 1929 (regulations to prevent introduction of Mediterranean fruit fly [*Ceratitis capitata*]), 123-124. — P. D. No. 997 of 12 June 1929, concerning disinfection of vehicles, 185-186. — 'Resolución' of 21 January 1929, regulating importation of lily bulbs, 88.

Cyprus :— Damage to crops by the cold of the winter 1928-29, 133. — Order in Council No. 1305 of 20th May 1929 regulating importation of potatoes, 123.

Cyrenaica :— Damage to crops by the cold of the winter 1928-29, 132-133. — Desert locust (*Schistocerca gregaria*), 7-8.

D.

Dalmatia, see Kingdom of the Serbs, Croats and Slovenes, 120-121.

Dominican Republic :— Damage to crops by the cold of the winter 1928-29, 166.

Dutch East Indies :— Diseases and pests of coffee, cacao, kapok, nutmeg, and green manuring plants, 114-116. — Diseases and pests of tea in Java, 130. — New disease

of *Hevea brasiliensis* in Sumatra,
49. — Pests of various native
crops, 163-165.

E.

Egypt:— Damage to crops by the
cold of the winter 1928-29, 182-183.

England:— Chrysanthemum midge,
Diathronomyia hypogaea, 97. —
Importation of Raw Cherries Order
of May 24 1929 (to prevent intro-
duction of cherry fruit fly [*Rha-
goletis cerasi*]), 101-102.

Eritrea:— Desert locust, *Schistocerca
gregaria*, 81. — Locusts, 114.

F.

France:— Information concerning
export of cherries to Great Britain,
103-104. — I. concerning export of
cherries to the Netherlands, 136. —
Law of 6 December 1928, dealing
with the felling of chestnut trees
and control of *Blepharospora cambi-
vora*, 38. — Ministerial Decree of
29 November 1928 forming a Com-
mission for investigating timber
diseases and pests, 37-38. — De-
cree of 30 April 1929, distributing
among the pathological divisions,
the horticultural, viticultural and
plant products exporting establish-
ments and nominating inspectors,
delegates and controllers for 1929,
154. — D. of 31 May 1919, con-
cerning control of cherry fruit fly
[*Rhagoletis cerasi*], 103.

G.

Germany:— Damage to crops by
the cold of the winter 1928-29,

150-152. — Important diseases and
pests occurring between January
and May 1929, 147-148. — Order
of 7 March 1929, dealing with con-
trol of grape phylloxera, 100-101.
— Order of 27 April 1929, regul-
ating importation of raw cherries
to prevent introduction of cherry
fruit fly [*Rhagoletis cerasi*], 101. —
O. of 24 May 1929, extending
Order of 27 September 1928, con-
cerning import of barley from the
United States, 101. — O. of 27
May 1929, prohibiting import and
export of live musquash (*Fiber
zibethicus*), 135. — Ordinance of
28 March 1929, prohibiting impor-
tation of carnations to prevent
introduction of *Tortrix pronubana*,
83. — Anhalt: Police Order of
31 October 1928, regulating control
of crop and forest pests, 83.

Greek Republic:— *Platyedra gossypiella*
(regulations to prevent introduc-
tion of), 71.

Guadeloupe:— Damage to crops by
the cold of the winter 1928-29, 133.
— Gummosis of the sugar cane,
81-82.

H.

Holland:— Damage to crops by the
cold of the winter 1928-29, 133-134.

Hungary:— Important or new plant
diseases observed during 1926-
1928, 82-83.

I.

India:— *Acridium peregrinum* (= *Schistocerca gregaria*) in the Pun-
jab, 8. — Damage to crops by the
cold of the winter 1928-29 in Bur-
ma, 166. — Mosaic disease of chil-

- lies (*Capsicum annum*) in Bombay Presidency, 99. — New diseases reported during the year 1928, 21-22. — Notes on diseases in the Bombay Presidency, 33. — Plant diseases observed in Burma, 33.
- Indochina :— Damage to crops by the cold of the winter 1928-29, 183.
- Iraq :— Affections of the vine and pests of rice and forest trees, 182. — Damage to crops by the cold of the winter 1928-29, 183. — Desert locust, *Schistocerca gregaria*, 130-131. — *Oligonychus simplex*, 116.
- Ireland :— Order 18 September 1928 (application to mangolds, turnips and cabbages of the ' Black Scab in Potatoes [Special Area, Ireland] Order 1924 '), 10.
- Irish Free State :— Damage to crops by the cold of the winter 1928-29 166.
- Italian Somaliland :— Decree No. 7226 of 8 January 1929, prohibiting importation of American cotton seed and sugar cane cuttings, and regulating the importation of other seeds and plants, 71-72.
- Italy :— Compulsory Association for the control of diseases and pests of fruit trees at Cividale, province of Udine, 39. — C. A. of olive growers of the province of Catania, 39. — C. control of field-voles in the Capitanata, 39. — Damage to crops by the cold of the winter 1928-29, 118-120, 152-153. — Insects injurious to various plants, 148-149. — I. injurious to wheat in the Province of Pesaro, 131-132. — Law No. 2690 of 18 November 1928, legalising Royal Decree-Law No. 1754 of 12 August 1927, which regulated the control of olive diseases and pests, 38. — No. 2902 on 29 November 1928, legalising Royal Decree-Law No. 310 of 26 February 1928, allowing free importation of cyanides and substances impregnated with hydrocyanic acid for agricultural use, 38. — L. No. 94, of 3 January 1929, dealing with protection of crops and farm produce against diseases and pests and with the related services, 22-28. — L. No. 48 of 3 January 1929, legalising Royal Decree-Law No. 1825 of 3 August 1928 allowing free importation of mineral oil residues for fruit pest control, 39. — ' Mal secco ' of citrus trees (control in the province of Catania), 171. — Ministerial Decree of 20 September 1928 (free importation of mineral oil distillation residues for fruit pest control), 10. — M. D. of 23 October 1928, regulating the exportation of cauliflowers, 10. — M. D. of 1 December 1928, enacting that exported lemons and oranges must be free from scale insects, 38. — M. D. of 29 March 1929, approving the list of industrial occupations which employ or produce poisonous and infectious substances including certain insecticides and fungicides, 69. — M. D. of 25 April 1929, concerning new tobacco product, 88. — M. D. of 1 July 1929, establishing Royal Phytopathological Observatories, 137-138. — M. D. of 12 July 1929, regulating importation of potatoes, 124. — M. D. of 21 August 1929, concerning adulteration of substances employed in or produced by agriculture, 171-172. — Moroccan locust (*Dociostaurus maroccanus*) in various regions, 99. — *Phylloxera vastatrix* (Communes declared infected with grape phylloxera), 38, 69, 104, 124, 136-137, 154. — Phytopathological notes, 33-34, 49-50. — Prefectorial Decree of 18 October 1928 (regulations for olive fly [*Dacus oleae*] control in province of Imperia), 11. — Prize competition for cure for mulberry root rot

('mal del falchetto'), 69 — Prize for remedy for 'mal secco' of citrus trees, 104. — Regulation No. 1099 of 13 June 1918 and Royal Decree No. 1751 of 14 November 1920, prohibiting export of certain plant materials from communes infected with grape phylloxera, 39. — Roval Decree No. 3433 of 6 December 1928, requiring the 'Cattedre ambulanti d'Agricoltura' to assist in control of crop diseases and pests, 38.

K.

Kingdom of the Serbs, Croats and Slovenes:— Olive fly control in Dalmatia, 9. — Damage to crops by the cold of the winter 1928-29 in Dalmatia, 120-121.

L.

Latvia:— Plant diseases observed in 1928, 34-35.

Lebanon, Republic of:— Observations on the 'Souné', *Eurygaster integriceps*, 66.

Legislative and administrative measures in the different countries:— Argentina, 56, 170-171. — Austria, 36, 83-86. — Belgium, 86. — Bermuda, 102-103. — Brazil, 86-88, 122. — Brazil, State of São Paulo, 36, 56. — Canada, 153. — Chile, 56, 122, 135. — Cuba, 36-37, 57, 88, 123-124, 185-186. — Cyprus, 123. — England, 101-102. — France, 37-38, 103-104, 136-154. — Germany, 83, 100-101, 135. — Germany (Anhalt), 83. — Greek Republic, 71. — Ireland, 10. — Italian Somaliland, 71-72. — Italy, 10-11, 22-28, 38-39, 69, 88, 104, 124, 136-138, 154, 171-172. — Mada-

gascar and Dependencies, 11. — Mauritius, 11-12, 39. — Mexico, 39-40, 57, 69-70, 138, 154-155. — Morocco, 124. — New Zealand, 172, 186. — Peru, 70, 88-89, 172. — Poland, 70. — Porto Rico, 138. — Southern Rhodesia, 187. — Spain, 9-10, 37, 57, 67-69, 135-136, 186. — Spanish Territories in the Gulf of Guinea, 187. — Sweden, 40. — Syria, State of, 40-41. — Tripolitania, 89. — Union of South Africa, 104. — United States of America, 37. — U. S. S. R., 57. — Wales, 104. — Western Australia, 35-36, 171.

M.

Madagascar and Dependencies:— Decree of 11 September 1928 (modification of Art. 3 of Decree of 24 March 1928 on locust control), 11, Mauritius:— Ordinance No. 21, of 22 September, 1928, dealing with penalties incurred under the 'Plants Diseases Prevention Ordinance, 1911', 39. — Proclamation No. 23 of June 1928 (import regulations for certain agricultural requisites), 11.

Mexico:— 'Acuerdo' of 11 April 1929, providing for payment for certificates of insecticides and fungicides, 138. — 'A.' of 27 April 1929 (importation regulations against introduction of Mediterranean fruit fly [*Ceratitis capitata*]), 155. — Circular No. 21-(015) '28' /41 (1), of 29 September 1928, concerning regulations for veterinary and agricultural sanitary inspection, 69-70. — 'Cuarentena núm. 1' of 16 April 1929, regulating control of pink bollworm [*Pectinophora gossypiella*], 154. — President. Decree of 13 September 1928 (quarantine of wheat against introduction of flag smut [*Urocystis Tritici*]), 39-40 — P. D.

of 13 September 1928, regulating the importation of sugar cane, 57. — P. D. of 13 December 1928, modifying the P. D. of 13 September 1928, concerning the 'Cuarentena exterior núm. 8', 57. — Regulation of 26 April 1929 concerning organisation of crop protection, 154-155.

Morocco:— Regulations for importation of agricultural produce, etc., 124-125.

N.

New Zealand:— *Arctium Lappa* (burdock) and *Conium maculatum* (hemlock) declared noxious weeds in Pohangina County, 172. — *Cnicus arvensis* (Californian or Canadian thistle) declared not to be a noxious weed in Rangitikei County, 172. — *Conium maculatum* declared a noxious weed in Mantaweka Town District, 172. — *Cryptostemma calandulaceum* (Cape daisy) and broom declared noxious weeds in Borough of New Plymouth, 172. — *Cytisus scoparius* (broom) and hemlock declared noxious weeds in Borough of Fielding, 172. — Notice No. Ag. 2845 of 15 August 1929 specifying noxious weeds in Picton Borough, 186. — Order of 9 July 1929 specifying noxious weeds in land under Green Island Borough Council, 186.

Nigeria:— Damage to crops by the cold of the winter 1928-29, 166.

P.

Palestine:— Damage to crops by the cold of the winter 1928-29, 166, 183.

Persia:— Damage to crops by the cold of the winter 1928-29, 183.

Peru:— Presidential Decree of 10 August 1928, concerning sugar cane plantations in valleys of Rímac and Carabayllo, 88-89. — 'Resolución' of 9 November 1928, concerning importation of cotton and sugar cane seed, 70. — 'R.' of 8 February 1929, concerning fumigation of cotton seed, 172.

Poland:— Damage to crops by the cold of the winter 1928-29, 183-185. — Decree of 31 July 1928, ordering the destruction of *Berberis vulgaris*, 70. — D. of 8 August 1928, concerning woolly aphis [*Eriosoma lanigerum*] control, 70.

Porto Rico:— Regulations for importation of agricultural products, 138.

R.

Rumania:— Bacterial disease of tobacco, known as Wisconsin Leaf Spot, 149-150. — Damage to crops by the cold of the winter 1928-29, 167-170.

S.

São Paulo, State of, see Brazil, 36, 56.

Sierra Leone:— Damage to crops by the cold of the winter 1928-29, 170.

Southern Rhodesia:— Damage to crops by the cold of the winter 1928-29, 185. — Government Notice No. 440 of 26 July 1929, regulating importation of maize, elm, chestnuts and tea seeds, 187. — Root disease and collar-rot of citrus, 66-67.

Spain:— 'Real orden' No. 684 of 6 March 1929, regulating importation and exportation of certain agricultural produce, 135. — 'R. O' No. 357 of 13 September 1929 (regulations for import of agricultural

products, etc. into Spanish Territories in Gulf of Guinea), 186. — Regulations of 1 June 1929 concerning inspection of private mulberry nurseries, 135-136. — Royal Decree No. 422, of 4 February 1929 modifying powers assigned by Law of 21 May 1908. — R. Ordinance No. 224 of 4 October 1928 (inspection of fruit imported from Canary Islands), 9. — R. O. No. 64 of 20 November 1928 (regulations for locust control), 37. — R. O. No. 124 of 24 November 1928, dealing with the occurrence of dodder in seeds, 57. — R. O. No. 925 of 18 April 1929, dealing with the organisation of the Phytopathological Service, 67-68. — R. O. No. 976 of 19 April 1929, prohibiting importation of certain agricultural products, 68-69. — Albacete:— Damage to crops by the cold of the winter 1928-29, 133. — Almería:— Damage to crops by the cold of the winter 1928-29, 117-118. Spanish Territories in Gulf of Guinea, see Spain, 187

Switzerland:— Bean bruchid, 150. — Damage to crops by the cold of the winter 1928-29, 121. — Wart disease of potato in 1928, 35.

Syria, State of:— Decree of 31 December 1928, regulating the organisation of crop protection against diseases and pests, 40-41.

T.

Tripolitania:— Ministerial Decree of 19 February 1929 allowing free importation of tents for fumigation of citrus trees, 89.

Turkestan:— Cotton protection, 128.

Turkey:— Crop pests, 99-100, 117, 132, 165

U.

Uganda:— Locusts, *Schistocerca gregaria*, 65.

Union of South Africa:— Government Notice No. 520 of 1929, concerning control of 'psorosis' or 'scaly bark' of citrus, 104.

United States of America:— Act of 24 May 1928, providing for funds for control of the European corn borer (*Pyrausta nubilalis*), 37. — Outstanding entomological features, 180-182. — Plant diseases survey notes, 179-180. — Resolution of 21 May 1928, providing for compensation of farmers for loss entailed in pink bollworm (*Platyedra gossypiella*) control, 37.

U. S. S. R.:— Decree No. 521 of 31 August 1928, concerning control of cotton diseases and pests, 57.

W.

Wales, see England, 101.

Western Australia:— *Ceratitis capitata* (regulations for fruit fly control), 35-36. — *Echium plantagineum* declared a noxious weed in Preston Road Board District, 36. — *Solanum hoplopetalum* declared a noxious weed in the Mullewa Road Board District, 171. — Star thistle (regulations concerning stock and farm produce in view of this plant), 171.

West Indies:— Damage to crops in Trinidad by the cold of the winter 1928-29, 166.
